

Be part of lasting change

Thanks to the kindness of supporters like you, Face It TOGETHER is proudly celebrating its 15th year of serving the community. We're a 501(c)(3) nonprofit dedicated to sharing addiction wellness.

We help individuals impacted by alcohol and other drug addiction, including loved ones, through compassionate, professional peer coaching. Our approach is powerful, cost effective and honors each individual's unique journey.

Your support can go further

We're inviting our dedicated supporters to streamline their giving. **We've crafted event sponsorship packages (page 3), to strengthen our offerings and provide even more recognition throughout the year.**

Your compassion and sponsorship makes a meaningful difference in the lives of those impacted by addiction. For many people, peer coaching is the missing piece of the wellness puzzle. Families have dinners together again. Individuals break the cycle of incarceration and recidivism. They meet goals and mend relationships and find meaning in their work again.

Please help us continue to fill a crucial need in our communities. Your empathy will help families heal and find a healthy path—for their lives and the next generation.

Share wellness at your company

FIT @ Work is Face It TOGETHER's employee partnership program. As a FIT @ Work partner, your team can access professional, personalized peer coaching as a mental health benefit. Sessions are unlimited and available to anyone impacted by alcohol or other drugs, including loved ones. By moving addiction care upstream, while individuals are still employed, we can save lives and impact your bottom line as a business owner.

- Make it easy for your employees and their family members to access high quality and convenient support.
- Improve productivity, manage risk and reduce costs related to addiction.
- See results that deliver a proven ROI for your company.

If you're interested in learning more about FIT @ Work, please contact Megan or Wendy (mcolwell@wefaceittogether.org or wwwhite@wefaceittogether.org).

Your empathy will help families heal and find a healthy path—for their lives and the next generation.

Learn more about our events

Solving Addiction on the Green | May 19, 2025

Our annual golf tournament, Solving Addiction on the Green, helps us raise funds and awareness for our life-saving work. We've had the pleasure of hosting our last four tournaments at the beautiful Minnehaha Country Club in Sioux Falls, SD.

March Into the Light | Sept. 6, 2025

Held each September during National Recovery Month, March Into the Light rallies the community together around addiction wellness. As those who struggle with addiction walk from darkness into the light of recovery, we walk into the sunrise as a powerful reminder that none of us are alone on our journeys.

Face It in the Fire | Nov. 6, 2025

Face It in the Fire is a unique culinary event that features a live, ingredient-specific battle between two chefs on the main stage. While the battle rages, our guests enjoy tasting portions from local restaurants featuring appetizers, desserts and mocktails with the ability to vote on the "People's Choice" award for the night and the "Best Décor" tablescape.

"Your team did an absolutely fantastic job. This is coming from someone who has competed at the local, state and even national level. It really showed me that you have a hell of a team and are all extremely dedicated to this organization."

– Chef Ryan Tracy, inaugural Face It in the Fire live battle winner

Streamline your support

If you're interested in sponsorships outside of these levels, please reach out to Megan or Wendy (mcolwell@wefaceittogether.org or wwhite@wefaceittogether.org).
